WOMAN'S FRIENDS AMAZED AT CHANGE

Mrs. Deaton's Wonderful Improvement Impresses Them—She Gains 35 Pounds
"I don't believe Tanlac could have a better advertisement than I am. My friends now are absolutely amazed at the change that has taken place in my condition. I eat, sleep, feel and look better than I have in years. Only a few days ago I was so thin and emaciate I was hardly more than a shadow of my former self. Today I am thirty-five pounds heavier and as well and strong as I ever was in my life. For weeks before I began taking Tanlac I lived on eggs, sweet milk and toast, and had about given up all hope of ever being able to eat a hearty meal again. Before I finished half a bottle of Tanlac I quit dieting and began eating whatever I pleased. I never saw anything to equal the way I improved and it wasn't long before I was in perfect health." The above remarkable statement was made by Mrs. Minnie Deaton, 717 Delaware St., Salem, Va. Tanlac is sold in Palatka by Ackerman-Stewart Drug Co. and all leading druggists.
